

## Vancouver Island mushroom picking

Posted by - 21 Oct 2007 23:33

---

I am fairly new to Vancouver Island and am also fairly new to the world of psychoactive mushrooms. I've done some research but haven't found any posts of good psilositybe picking locations. I live in Courtenay and am anxious to get out and find me some shrooms!!!

Some general information and tips would be much appreciated.

Thanx in advance.
